Title: OpenTechSchool Potpourri
Presenter(s): Robert Lehmann

Start: HH_MM_SS

14:30 (2:30 pm)

Length: 00:30.0:00

Somehow I'm not sure if this is really the end as it's encoded on youtube now. It sounds like it's not completely finished - the sentence is finished, but it's not goodbye, nothing, it's just the last word of a sentence as a response to a question. Unfortunately, there's no next video here so I can't check if there might be an important next question or whatever.
