    Talk Title: OpenTRV: resource-constained computing: less is more

5 min pre: 1:55 pm   **Talk Start:** 2:00 pm   **Length:** 00:25:00   **End -5m:** 2:20 pm   **End:** 2:25 pm

[ ] Have a water bottle for ready for the presenter
[ ] Ensure presenter has microphone and completed sound check (if not, poke AV team)
[ ] Check that HDMI is plugged into the presenter's laptop
[ ] Ensure presenter's display appears on the projector and confidence monitors
[ ] Ask the presenter "Will there be laptop sound?" If so, ask AV to plug in and test sound
[ ] Ask the presenter how they would like to be introduced and how to pronounce their name
[ ] Ask the presenter if they would like time warnings, and if so, when they would like them

[ ] When the presenter is ready, un-mute the microphone
[ ] Make any special announcements (eg. Audience defrag, events later in the day)
[ ] Hit the Big Red Button. (On = recording starts)
[ ] Introduce the presenter(s) and the talk

Presenter(s):

   Talk Title: Participant driven discussion

5 min pre: 2:25 pm   **Talk Start:** 2:30 pm   **Length:** 02:00:00   **End -5m:** 4:25 pm   **End:** 4:30 pm

[ ] Have a water bottle for ready for the presenter
[ ] Ensure presenter has microphone and completed sound check (if not, poke AV team)
[ ] Check that HDMI is plugged into the presenter's laptop
[ ] Ensure presenter's display appears on the projector and confidence monitors
[ ] Ask the presenter "Will there be laptop sound?" If so, ask AV to plug in and test sound
